‡‡‡ Students who are accepted into the Honors Institute at Michigan Tech will be required to take a special section of UN 1001. Instead of receiving AP credit for UN 101, the student will receive 3 credits for UN 2001. If an Honors Institute student takes both AP English Literature and Composition and AP Language and Composition exams, they will receive 3 credits for UN 2001 and 3 credits of Approved Humanities Electives. Students who are taking, or have completed, any College English Composition classes should contact the Michigan Tech Admissions Office to see if credit for the AP English exams can be awarded.

Official Advanced Placement scores must to submitted to Michigan Tech directly from the testing agency. Our school code number is 1464.

If you have not previously requested your scores be sent to Michigan Tech, contact College Board at 1-888-CALL4AP.
