

Changes to TechFit January 1, 2007

Beginning January 1, 2007 the Michigan Tech TechFit benefit for you and your dependent or spouse must be taxed. For instance, if you and your spouse used the maximum family benefit of \$235 in 2007, you will be taxed for an additional \$235 on your following pay check.

The Benefits Office is currently working with Administrative Information Services to improve the TechFit enrollment and taxability process as much as possible. To learn more about TechFit, visit <http://www.admin.mtu.edu/hro/benefits/index.shtml>
