

Payroll Services Mission Statement

The primary mission of Payroll Services at Michigan Technological University is to provide accurate and timely payment to faculty, staff and student employees in an efficient and cost effective manner in compliance with the University's compensation, benefits and reporting policies, and federal and state laws. Payroll Services is also committed to providing pertinent payroll related information to the diverse University community.

Payroll Services strives to be fair, honest and professional in our dealings with all constituents. We are dedicated to their needs and satisfaction, through maintaining an "open-door" policy and encouraging the exchange of ideas.
